

(3) A Government servant may prefer an appeal against an order imposing any of the penalties specified in rule 11 to the President, where no such appeal lies to him under sub-rule (1) or sub-rule (2), if such penalty is imposed by any authority other than the President, on such Government servant in respect of his activities connected with his work as an office-bearer of an association, federation or union, participating in the Joint Consultation and Compulsory Arbitration Scheme."

A careful study of the above said rule would reveal the fact that any Government servant may prefer an appeal against any order of the authority, namely, disciplinary authority before the competent concerned appellate authority or before any competent authority.

11. In the light of the above said rule, a perusal of the records on hand would reveal the fact that it was not case of the petitioners that the punishments awarded by the concerned disciplinary authority against the said Panchanadhan and Rajendiran were set aside either by the concerned appellate authority or by any competent authority. Until and unless, the punishment given by the disciplinary authority against the said Panchanadhan and said Rajendiran, the benefit claimed in the petition would not be entitled for them. For the simple reason, that already a order was issued by the competent authority for non-sanctioning the benefit to the petitioner Panchanadhan and Rajendiran.

12. It is pertinent to note down here one Sekar who was a party to the conciliation proceedings did neither produce any evidence nor any documents to substantiate his claim before this court. Hence the court decided on a considered view, the case of the petitioners was not established before this court and the petitioners are not entitled for any benefit as claimed in the petition.

13. In the result, it is ordered that the petitioners, namely, Panchanadhan, Rajendiran and Sekar were not entitled for any monetary benefit as claimed in the petition and the reference made in G.O. No. 58, dated 29-3-2012 is answered accordingly.

Typed to my dictation, corrected and pronounced by me in the open court on this the 21st day of January 2015.

**GOVERNMENT OF PUDUCHERRY**  
**HOME DEPARTMENT**

(*G.O. Ms. No. 47, dated 21st July 2015*)

**NOTIFICATION**

Whereas, the Police Department has stated that the existing sub-divisions of Puducherry are not territorially contiguous and some of them are now spread over large areas which affect the mobility of the officers/force and also administratively inconvenient to handle critical law and order issues and population in the outlying areas has increased manifold for the last ten years and several new residential colonies and commercial centres have come up in these areas;

2. And whereas, the crime rate in these areas are also gone up which require close monitoring and effective administrative control by the supervisory officers and this necessitates re-organization of present three sub-divisions of Puducherry region into four sub-divisions as North, East, West and South and the Karaikal District is proposed to be sub-divided into two sub-divisions to be headed by Superintendent of Police, Karaikal (North) and Superintendent of Police, Karaikal (South) for better administrative control;

3. And whereas, some of the Police Stations have become more complex than others and it is felt that a senior officer in the rank of Inspector may exercise better supervision as Station House Officer and therefore, the Police Department has proposed that, some of the Police Stations may be placed directly under the control of Inspectors instead of Sub-Inspector of Police as Station House Officer and the remaining Police Stations under the control of Sub-Inspector of Police as Station House Officer;
